Message from Mr McCoy

Thank you so much for attending this week's Parents' Evenings, it was lovely to see so many of you over the two nights. Thank you also for your overwhelmingly positive comments and I'm pleased that you liked the new progress reports - these will further be improved over the coming term and I aim to provide you with a little more information in relation to the foundation subjects as well.

A big well done to our Year 4 footballers who represented us so well at an event on Tuesday - as always, they did us proud.

We had a wonderful Rock Steady concert in school on Wednesday, the children performed so well in their rock bands and the progression in their skills was amazing.

Our Environment Day was again well supported yesterday. We really appreciate the help in keeping our school grounds looking good.

I'd like to pass on our thanks to Mr Kev Sharratt of Urban Concept Ltd for building and donating a new, bespoke stage for our Early Years' outdoor environment - thank you so much, the children will love this!

Next week is the final week of this term and we finish at the normal time on Thursday and re-start the summer term on Monday 15th April. Have a great Easter Holiday.
