## Message from Mr McCoy

Welcome back to the start of the summer term. I am so looking forward to now being here full-time, so hopefully, you will see me around a lot more. Some of you may have noticed that at the end of last term, we had some work done on the grassed area alongside the drop-off area at the Fairway entrance. We have had a new Mile-A-Day track put in for KS1 and Early Years children and alongside it a new trim trail. Whilst I am aware that this is a very tempting play area at the start and end of the day for your children, could I please ask that you do not allow children to use the trim trail outside of the school day - thank you.

If you came to parents' evening you will have received some information regarding 'Marvellous Me' and how to download and access the app. We are launching Marvellous Me in school on Monday, so if you have the app you should start to receive notifications. There are 3 main notifications: a 'thumbs-up' which are our new House Points / a 'badge' which will be given out for attendance, merits, our Bleak Hill Values, Headteacher and Deputy Headteacher awards, readers of the week etc / and an 'Activities' notification which will let you know about a specific activity that your child has been part of. We will extend these three areas over time to incorporate more positive praise items. If you receive a notification, please give us a 'Hi5' which then lets us know that you have read it. I'm looking forward to this new initiative and giving out some awards.

On another very positive note, we have been advised by the local authority that we will be full again for our new Reception intake for September - if your little one is getting a place with us, well done and we look forward to having you as part of the Bleak Hill family.

Take care everyone and have a great weekend.

## Merit Award - Children who are polite
