### Parking/School Premises

Unfortunately, each week we are still receiving numerous reports from local residents and parents regarding blocked driveways, speeding and inconsiderate parking in the local area. These incidents are being reported to the Police and local council. Please park considerately around the area local to school when dropping off and collecting your children. In addition there have been reports of rudeness/aggressive behaviour in front of children. This is totally unacceptable behaviour.

As always the safety of our children, families, and staff is paramount.

Thank you for your cooperation.
