To recall and recognise in order:

0, 1, 2, 3, 4, 5

Key Vocabulary

0, 1, 2, 3, 4, 5

And back again:

5, 4, 3, 2, 1, 0

### Top Tips

The secret to success is practising **little** and **often**. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You don't need to practise them all at once: perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Use practical resources –

- Spot numbers in the environment around them: on phones, clocks, microwaves, registration plates, doors etc
- Count out 5 toys and count back as you put them away.
- Make biscuits and decorate them counting out 5 decorations.
