#### Top Tips

The secret to success is practising **little** and **often**. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You don't need to practise them all at once: perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

#### Use practical resources –

- Find different ways of partitioning 5 biscuits / sweets between 2 plates. How many on each plate?
