

Key Instant Recall Facts

EYFS- Summer 1

I can count, read and write numbers to 20.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts **instantly**.

Children should be able to count (in order) and read from 0 to 20 in numerals (not words).

Children should know what number comes next,
e.g. 17 comes after 16.

Key Vocabulary

11, 12, 13, 14, 15,
16, 17, 18, 19, 20

Children should also know what number comes before a number, e.g. 12 comes before 13.

Top Tips

The secret to success is practising **little** and **often**. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You don't need to practise them all at once: perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Use practical resources –

- Count toys as they put them away.
- Number treasure hunt. Once they have found all the numbers, peg them in order on a washing line.
- Put number stickers on toy cars. Can they line the cars up in order?
