Message from Mr McCoy

Thank you so much for your support with the book fair this week. I'm sure that you know how passionate we are about reading, so it was great to see so many people purchasing books. We receive a commission on the sales, and we use the credit towards the purchase of more books for school, which we use in class, the library and in the book vending machine.

We had our second Stay & Play session (Pram Club) on Wednesday morning and thank you to those who have attended. If you have a child below school age you are welcome to attend, 9-10:30 am; please complete a booking form which is available on our website, or from the school office. Please tell friends and family members, they are also welcome to join us.

Your children will have had their photographs taken today, as soon as we have the proofs back from the photography company, we will share the ordering details with you.

I hope that you were able to come along to the Parents Evening Drop-ins yesterday and found them useful to see how your child has settled into their new class.

Next Friday morning, 4th October, the FOBH have organised a Continental on the Go Breakfast. Please join us in the hall to grab a tea or coffee and a croissant, either on your way into or from school.

Have a great weekend everyone.

General Notices

Thank you to all parents who have signed up to our new school meals ordering / payment system, the School Grid. The first week has run really smoothly from all points of view. We advise all parents to register on the School Grid in case you want your child to have a school meal at any point in the future.

On another note can we please once again remind parents about considerate parking around the school premises. Please do not block residents driveways or park on the yellow zigzag lines in front of school. We are regularly receiving complaints from nearby residents regarding parking and safety around school. Please remember to park safely and considerately at all times.
