## Message from Mr McCoy

As we approach the end of another busy half term, I am pleased to share some highlights from our recent school activities and achievements.

This week, our Year 3 children delivered impressive class assemblies centered on their Victorian topic. We extend our gratitude to the parents and family members who joined us for these engaging presentations. All the children performed so well. Year 2 children enjoyed an immersive experience with a visit from 'Delve into History', bringing their current topic to life. Such visits and school trips are invaluable in enhancing our children's learning experiences.

Last Friday, we celebrated Number Day across the school. It was wonderful to see everyone participating enthusiastically and sporting such creative costumes. We are pleased to let you know that the fundraising we carried out to support the NSPCC in conjunction with the day, has raised a total of £414 – thank you so much for your generosity.

I am delighted to report that our Year 4 pupils excelled at the recent Sports Hall Athletics Competition. Competing against 15 other schools, they not only represented Bleak Hill with exemplary behaviour but also emerged victorious. We are immensely proud of their achievement – overall WINNERS!

Today has been 'Break the Rules Day' - it has been whole-heartedly embraced by all the children and has made a fun end to the half term—thank you to Friends of Bleak Hill for organising the event !!

While we celebrate successes, we also bid farewell to one of our dedicated teaching assistants, Mrs. Smith. We extend our heartfelt thanks for her years of support to our children and families and wish her the very best in her future endeavours.

Looking ahead, I would like to remind parents that Year 5 will be visiting Tatton Park on Tuesday, 25th February.

As we conclude this half-term, I would like to express my appreciation for your continued support. We hope you enjoy the upcoming break and look forward to welcoming all children back on Monday, 24th February.

Thank you for your ongoing commitment to our school community. Your support plays a crucial role in the success and well-being of our children.
