Message from Mr McCoy

It has been another eventful week at Bleak Hill Primary School, filled with exciting activities and achievements across various year groups. Our Year 3 cricketers represented the school admirably at the Diamond Cricket event held at Sutton Cricket Club on Tuesday. Their performance and enthusiasm were commendable, and they truly embodied the spirit of our school. Year 4 children had a great experience on Wednesday when they visited the Saints ground. They participated in numerous activities and had the opportunity to explore the player changing room, even trying on the players' shirts. This hands-on experience provided them with a unique insight into the world of professional sports.

Thursday saw another successful SEND Coffee Afternoon. We extend our gratitude to all the parents and carers who attended, as your involvement is crucial in supporting our children's educational journey.

Today, we commemorated the 80th Anniversary of VE Day with great enthusiasm. Our children dressed in red, white, and blue, participating in various class-based activities to mark this significant historical event. Some of our Year 4 children took part in a Tag Rugby Tournament, where they demonstrated exemplary performance and sportsmanship.

Looking ahead, we have an important week for our Year 6 pupils as they prepare to take their end of key stage 2 SATs. We have full confidence in their abilities and wish them the very best of luck. We know they will approach these assessments with the same dedication and enthusiasm they bring to all their endeavours.

Finally, we would like to remind you that next Friday (16th), the Friends of Bleak Hill (FOBH) will be hosting another Breakfast on the Go event. We encourage you to join us for this community gathering. Also on that day, children can wear their own clothes in exchange for chocolate or a gift to use at the summer gala. Thank you for your continued support and engagement with our school community.

Merit Award - Children who persevere
