Firstly, I would like to congratulate our Year 6 children for their outstanding effort during their SATs this week. Their dedication and hard work have been truly commendable, and we are immensely proud of each and every one of them.

Our Year 5 children have continued their participation in the Healthy Hearts workshop series. This week's session was particularly informative, and it is evident that they have gained valuable knowledge throughout this educational programme.

We are grateful for the support shown by our school community at the FOBH Breakfast on the Go this morning. Your participation in these events helps to foster a strong sense of community within our school. Additionally, we would like to express our thanks for the generous donations of chocolate and gifts for the upcoming FOBH Gala. The Gala will take place after school on Friday 27th June. These items will be used as prizes on the day, contributing to what promises to be an enjoyable event for all.

Looking ahead, we have some exciting events on the horizon. Our Reception children will be showcasing their talents in their class assemblies on Tuesday. We have invited family members to attend and witness the wonderful performances of our youngest learners - you are going to be amazed at the talents!

Our Year 6 children will be embarking on their 3-day Robinwood Residential on Wednesday. We are confident that this experience will provide them with lasting memories and valuable opportunities for personal growth.

Thank you for your continued support and engagement with our school community.

27.06.25 Own Clothes / Gala

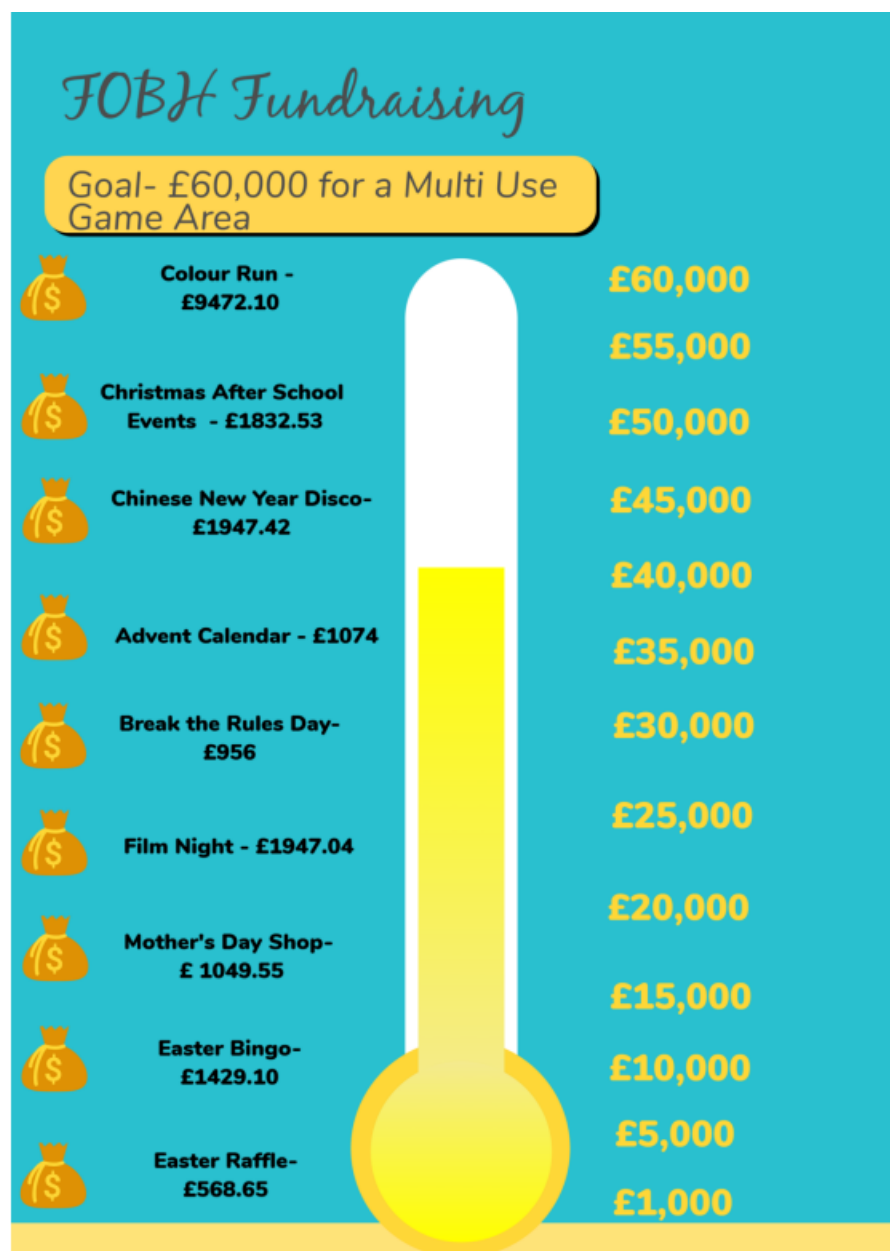

We would like to extend our gratitude to all parents and guardians for their invaluable support in fundraising for our school by participating in our FOBH events. We also want to thank the staff members who generously give their free time to assist with these events.

Our recent fundraising efforts have raised money towards:

- Providing each child with a book for Christmas.
- Supplying food for the children during their Christmas parties.
- Purchasing additional books for the book vending machine.

We have also raised a significant amount of money towards our goal of £60,000 for a Multi-Use Games Area (MUGA).

Thank you once again for your incredible support and commitment to our school's success!

MUGA UPDATE

It's wonderful to be able to announce that we have reached our initial fundraising goal of £40,000 for the Multi Use Games Area (MUGA!) Your support and help in reaching this goal is really appreciated.

With the environmental survey completed and the planning application submitted, we are already making significant progress. Hopefully, the planning permission will be granted soon, and the procurement process will go smoothly. It would be fantastic for the MUGA to be ready before the summer break!

The £40,000 target was set with some 'Match Funding' in mind. Unfortunately, our application has been refused due to the demographic/postcode of the school. This is something that we often face and have been refused or exempt from applying for funding based on this on a number of occasions. I know it can often feel that the Friends of Bleak Hill are running lots of fundraising events and asking the families and friends of pupils to support us but without your support the children would not get many of the enrichment activities or 'nice to have items' such as the trim tails, drama performances, IT equipment etc.

We have been advised that the estimated cost of the MUGA is going to be around £60,000 so we need to make a final push. If you could support us with this that would be great. This could be anything from donating a raffle prize for the Summer Gala, sending in items on non-uniform days, buying items from the Father's Day Shop, attending the Summer Gala or donating on School Money. As they say 'every little helps'

The MUGA will be a fantastic facility for the children allowing them to safely play ball games. It will give them a surface to us during PE when the grassed areas are waterlogged and be a great facility for after school clubs etc..
