Message from Mr McCoy

This week has been filled with remarkable activities both within school and in our local community. Our Year 6 children demonstrated exceptional commitment and resilience on Monday during the TriKidz Endurance Challenge. Their determination throughout the event was truly impressive, and it was wonderful to see each child (and staff members) receive their well-deserved TriKidz medal upon completion. Additionally, several of our Year 6 children have been participating in their Level 3 Bikeability training this week, developing important cycling skills and road safety awareness.

Wednesday proved to be particularly eventful across different year groups. Our Year 2 children enjoyed an excellent educational visit to 'Imagine That' in Liverpool, where they engaged with interactive exhibits and hands-on learning experiences. The children returned to school with great enthusiasm about their discoveries. Simultaneously, a group of Year 3 children represented our school at a multi-skills event, showcasing their sporting abilities and demonstrating the values we promote at Bleak Hill Primary School. Their conduct and participation were exemplary throughout the competition.

Wednesday evening marked an important milestone as we welcomed the parents of our new Reception intake for an informational meeting. This session provided essential details about their children's transition to school in September, and it was encouraging to meet families who will soon become part of our school community. Today brought another special opportunity for our children through the Friends of Bleak Hill Fathers' Day (FOBH) shop. This initiative allowed children to select thoughtful gifts for their fathers, grandfathers and someone special in their lives, fostering appreciation for family relationships and providing a meaningful way to celebrate Father's Day.

Looking ahead to next week, I would like to remind parents about our upcoming Sports Days. The Reception Stage Sports Day will commence at 10:00 am on Wednesday morning, followed by Key Stage 1 at 1:00 pm on Wednesday afternoon. Key Stage 2 Sports Day will take place on Thursday. We anticipate seeing many families supporting our children on the sports field during these celebratory events.

Have a great weekend everyone.

Merit Award - Children who understand justice
