Message from Mr McCoy

It has been another exceptionally busy week at school, with six Meet The Teacher events taking place across the week. I hope that you found these sessions useful and that they have helped prepare for your child's transition into their new year group. Our new Reception children also enjoyed another stay and play session this week as part of their comprehensive transition programme into school.

The sporting calendar has been particularly active this week, with our children participating in multiple events across different year groups. Year 5 children took part in a Softball event on Monday, demonstrating excellent teamwork and sportsmanship. Meanwhile, some of our Year 6 children participated in a swimming gala, where they achieved outstanding results. The same year group also took part in a Netball event at Rainford High and represented the school in a Rounders event at Ruskin Drive. As usual, they were absolute superstars and represented Bleak Hill Primary School exceptionally well.

Your child's End of Year Reports were emailed to you after school yesterday. We hope that you have enjoyed reading them and are proud of your child's achievements throughout this academic year. Should you wish to discuss anything within the report, please come along to our drop-in Parents Evening, which will take place from 3:30pm to 5:00pm on Tuesday 1st July.

I would like to extend our gratitude for the numerous donations sent in today for the FOBH Gala. Your continued support for school events is greatly appreciated and we look forward to seeing as many of you as possible at the Gala after school today.

Particular congratulations must go to our Swimming Team, who came out as the overall winners on Tuesday, winning an impressive nine out of the twelve events. This is a tremendous achievement that reflects the dedication and talent of our children.

Please remember that next Friday, 4th July, your children will be moving up to their new classes with their new teachers for the day. Children should arrive at school as normal but will need to be collected from their new classrooms. Staff will be positioned around the school to point you in the right direction.

Merit Award - Children who demonstrate responsibility
