## Message from Mr McCoy

What another fantastic week we have had. Our children continue to demonstrate exceptional behaviour and enthusiasm across all their activities and learning experiences. On Monday, Year 1 enjoyed an amazing day at Martin Mere. The children returned very tired after their exciting adventure, which clearly shows how much they engaged with all the activities available. Educational visits like this provide invaluable learning opportunities outside the classroom environment.

Thank you to everyone who attended the drop-in parents' evening on Tuesday. I hope that you found the session useful & informative. These events are important for maintaining strong communication between home & school.

This week has been particularly busy with sporting activities. Year 4 took part in a Crazy Rounders Event on Tuesday, demonstrating excellent teamwork and sportsmanship. Year 2 attended a Multi-skills event on Wednesday, where they showcased their developing physical abilities. Year 5 participated in a Dynamo Cricket event on Thursday, displaying their cricket skills with enthusiasm. As expected, all our children were brilliant and represented Bleak Hill well at these events.

Thursday also brought our brilliant Spanish Day to school. The building was awash with red and yellow as children and staff embraced the Spanish theme. The highlight was undoubtedly the flamenco dancers, who brought authentic Spanish culture directly into our school environment.

Today marked an important milestone for our Year 6 pupils, with the majority visiting Rainford High as part of their transition to secondary school. We also held our own transition day, with children moving up to their new classrooms to meet their new teachers. There were lots of smiling faces as I walked around school during this exciting time.

Looking ahead, next week is DT Week in school. The children will be involved in a range of design and technology activities across the week. On Thursday, our Year 4 pupils head off for their overnight residential to Gulliver's World, and we hope that they have an amazing time.

Have a great weekend everyone.
