Message from Mr McCoy

What an incredibly busy and exciting week we have had this week. It has been Design Technology Week, providing our children with wonderful opportunities to engage in designing and making activities across all year groups.

Sport has continued to play a prominent role in our weekly activities. On Monday, our Key Stage 2 children participated in a Tennis Festival with a particular focus on skill development. Wednesday saw some of our Year 2, 4 and 6 girls take part in a football event, and today some of our Year 6 children represented the school at a Year 6 tag rugby event. These sporting opportunities provide excellent chances for our children to develop their physical skills whilst representing our school with pride.

We have been treated to two Rock Steady Concerts this week, where many of our children showcased their musical talents to parents and family members. The bands performed brilliantly, demonstrating the hard work and dedication they have put into their musical development.

This week has also seen a valuable visit from the police. Our school council worked alongside the local PSCO and council officials to examine speed enforcement measures on Bleak Hill Road. The children were particularly excited to see the speed gun being used in action.

Our Year 4 children have been away on their overnight residential to Gulliver's World on Thursday and Friday. Early reports suggest they have had an amazing time, and we look forward to hearing about their adventures when they return to school next week.

Looking ahead, next week marks our final week of the academic year with three significant events scheduled. On Tuesday, our Year 6 children will perform their Leavers' Assembly for parents and family members. Friday morning will see our Awards Assembly take place, followed by The Harry Cardwell Colour Run on Friday afternoon to conclude our academic year.

Have a great weekend everyone.

Merit Award - Children who have worked hard all year
