## Message from Mr McCoy

The final week of the academic year has arrived, and what an exceptional week it has been for our school community. Our outstanding Year 6 children delivered truly remarkable Leavers' Assemblies for their families on Tuesday morning. They shared their favourite memories from their time at Bleak Hill Primary School, creating moments that made us laugh, filled us with admiration, and brought tears to our eyes. These children have been an absolute credit to our school, and as they prepare to move on to secondary education, we extend our very best wishes to them all. We are confident that they will achieve great success in their next adventure.

We extend our sincere gratitude to our local police force for their visit to school on Thursday. They brought police cars and police vans for our Reception class children to explore and examine. At the same time, our Year 6 children participated in a valuable Cyber Crime Workshop, which provided them with important knowledge and awareness.

Today commenced with our Annual Awards Assembly, marking the final assembly of the academic year. We presented children with numerous awards, including the Values Award, the Progress Award, the Shield of Endeavour Award, the Charlotte Baines Award, and the Harry Cardwell Award. We also took this opportunity to express our heartfelt thanks to staff members who are leaving us this summer. We wish Miss Crabb, Mrs Bailey, Mrs Smith, Mrs Austin, and Mrs Martin the very best in their future endeavours. They will all be greatly missed by our school community.

This afternoon, we are hosting the FOBH Harry Cardwell Colour Run, with the aim of raising substantial funds for Alder Hey and our MUGA facility. Thank you for your support.

Today marks the final day of the academic year, and it has been a truly outstanding year. We thank you for your continued support throughout this year. On behalf of myself, the governors, and all staff at Bleak Hill Primary School, we hope you have an amazing summer holiday. We look forward to welcoming you back in September. Take care.

### Things to Note for September:

**Return to school Wednesday 3rd September.**

**Individual photos Tuesday 9th September.**

**Toast will start from Monday 15th September.**

### **2025 Progress and Values Awards**

|            | <b>Progress Award</b>  | <b>Values Award</b> |
