Message from Mr McCoy

I am pleased to share some recent highlights from our school community. On Tuesday evening, we held the first of two Intake 2026 Open Evenings, which saw lots of parents and carers visiting our Early Years provision, exploring our school facilities and finding out about our school ethos and vision. Our children have been actively participating in a range of enriching activities this week. Wednesday was dedicated to Geography Day, with classes engaging in numerous geography-based learning experiences. Our Year 6 children attended a football event at Rainhill High on Thursday and performed exceptionally well against the 8 other schools. Today, our Year 4 children represented the school in a dodgeball event, demonstrating exceptional behaviour that made us incredibly proud.

We also celebrated a special moment today with our Red & White Day, showing support for the Saints Women's Team as they prepare for their Grand Final on Sunday. We extend our warmest wishes to the entire team for their upcoming match, and, in particular, to Miss Woosey (one of our Y6 teachers), who will be in the team.

Looking ahead, I want to inform parents that next Wednesday, 8th October, our Year 2 children will be embarking on a trip to Imagine That. This promises to be an exciting educational experience for them.

The energy and enthusiasm of our children continue to inspire us, and we are committed to providing diverse and engaging learning opportunities across all areas of school life.

Merit Award - Children who care about other people's feelings
